ABOUT ME

BS English Literature graduate with 3 months of experience in content writing at Vormand. Passionate about learning Search Engine Optimization (SEO) and improving web search rankings. Skilled in keyword research, creating SEO-friendly content, and basic on-page optimization. Looking to apply my writing and research skills as an SEO Intern to help drive organic growth.

EDUCATION

Govt.Graduate College Chowk Azam (Affiliated with GCUF, Faisalabad) | 2021-2025

BS English Literature

Developed strong written and verbal communication, research, and analytical skills through academic coursework and projects. Gained experience in mentoring and supporting peers, which strengthened interpersonal and organizational abilities relevant to human resources.

Women's College, Mankeera | 2018-2020

ICS

Gained foundational knowledge in computer applications, logical thinking, and problem-solving. Developed basic technical and organizational skills that support efficient administrative and HR-related tasks.
